

# INFANT/EARLY CHILDHOOD MENTAL HEALTH ENDORSEMENT® FAMILY SPECIALIST

## WHO

- Early Intervention Provider
- Infant/Toddler Coach
- Home Visitor
- Early Childhood Mental Health Consultant
- Child Welfare Case Manager

**Scope of Work: PREVENTION**  
Serving Children from Birth - Age 6

## DO YOU...

- Help parents/caregivers "see" the infant/young child as a person?
- Recognize risks and disorders of infancy/early childhood and make appropriate referrals?
- Share with families an understanding and appreciation of family relationship development?

## DO YOU...

- Help parents/caregivers recognize factors that constitute effective caregiving?
- Assist families to anticipate, obtain, and advocate for concrete needs and other services?
- And more?

## IF YOU ANSWERED YES...

You **prevent** barriers to the development of positive mental health in young children by giving attention to the primary adult relationships surrounding that child!

## RECOGNIZE YOUR EXPERTISE

Endorsement® connects your professional experiences with a set of competencies that recognize your infant and/or early childhood mental health prevention expertise.

## BENEFITS OF ENDORSEMENT®

- Enhance the quality of your relationship-based services
- Participate in ongoing and targeted professional development opportunities
- Join an international network of infant and early childhood professionals
