

**nvaiecmh**

Nevada Association for Infant & Early Childhood Mental Health

# INFANT/EARLY CHILDHOOD MENTAL HEALTH ENDORSEMENT® MENTAL HEALTH SPECIALIST

**Scope of Work: TREATMENT**  
Serving Children from Birth - Age 6

## WHO

- Parent-Infant Psychotherapist
- Parent-Child Psychotherapist
- Early Childhood Mental Health Specialist
- Private Practice Therapist

## DO YOU...

- Implement relationship-focused, therapeutic parent-infant/young child interventions that enhance the capacities of parents and infants/young children?
- And more?

## DO YOU...

- Interpret information from informal and formal observations and assessments to identify capacities and strengths, developmental delays, and/or emotional disturbances in infants and young children?
- Develop service plans that consider the unique needs, desires, history, lifestyle, concerns, strengths, resources, cultural community, and priorities of each infant/young child and family?

## IF YOU ANSWERED YES...

You provide culturally sensitive, relationship-focused, infant and/or early childhood mental health **treatment** services to explicitly address issues related to attachment, separation, trauma and unresolved grief and loss as they affect the attachment relationship, development, behavior and care of the young child.

## RECOGNIZE YOUR EXPERTISE

Endorsement® connects your professional experiences with a set of competencies that recognize your infant and/or early childhood mental health treatment expertise.

## BENEFITS OF ENDORSEMENT®

- Enhance the quality of your relationship-based services
- Participate in ongoing and targeted professional development opportunities
- Join an international network of infant and early childhood professionals
