Nevada Association for Infant & Early Childhood Mental Health

INFANT/EARLY CHILDHOOD MENTAL HEALTH ENDORSEMENT® ENDORSED REFLECTIVE SUPERVISOR

Serves IECMH Professionals

WHO

- Reflective Supervisor/Consultant actively providing RSC or planning to provide RSC
- **AND** Currently Endorsed® as Family Specialist or Mental Health Specialist

DO YOU...

- Promote relationships in which the others can explore ideas, reflect about infants, young children, families and relationships, and nurture professional development and growth?
- Mentor novice practitioners, students, and other colleagues to develop infant and early childhood mental health skills?

DO YOU...

- Use reflective practice throughout your work with infants/young children and families to understand own emotional response to infant/family work and recognize areas for professional and/or personal development?
- And more?

IF YOU ANSWERED YES...

You might qualify for the Endorsed Reflective Supervisor Add-On. An add-on to your existing endorsement to capture your professional experiences relevant to providing reflective supervision/consultation.

RECOGNIZE YOUR EXPERTISE

Endorsement® connects your professional experiences with a set of competencies that recognize your reflective supervision/consultation expertise.

BENEFITS OF ENDORSEMENT®

- Enhance the quality of your relationship-based services
- Participate in ongoing and targeted professional development opportunities
- Join an international network of infant and early childhood professionals
